Re Walnut Tree F seat chairs. p17  
Spring 03  
Newsletter.  
To Newsletter Editor.

Dear Sir,

I am only guessing as to the meaning but might this refer to 'framed seat' chairs i.e. drop in seats, which have separate frames and can be removed from the chairs as opposed to chairs with stuffed upholstery (nailed directly to the main chair frame seat rails) which cannot be easily removed?

I would be interested to know when you have had replies, as to the correct interpretation.

Yours faithfully,

Tim Phelps
