

John Whitney, chair maker

I should be grateful if anyone can give me some information about my great great grandfather, John Witney, and his sons. John was born about 1804 in Chinnor and was described as a chair maker and victualler. Three of his sons were also chair makers. Alfred (born 1830), Amos (born 1833) and John (born 1843). Amos was my great grandfather and was also described as a farmer and grocer. They are all listed in the index of *The English Regional Chair* by Bernard D. Cotton but they are not mentioned in the text of the book.

If you are able to point me in the right direction I would be most grateful.
