

## Mendlesham Chairs

On the 19 November 2013 at Sworders Stansted Mountfitchet Auction Rooms there will be a number of fine Mendlesham chairs that may interest members, especially as some of them are featured in Dr Bernard Cotton's book the *The English Regional Chair*. Shown here are a pair of fruitwood chairs, an unusual high-back chair and another fruitwood chair but with a rare wavy splat back. There are, in all, seven chairs and any more information may be had from Guy Schooling at [guysschooling@sworder.co.uk](mailto:guysschooling@sworder.co.uk).
