

# Gillow Research Material

Members may be interested to know that most of my Gillow research material has been deposited at the City of Westminster Archive Centre, 10 St Ann's Street, London, SW1P 2DE, Accession number 2863. There is a detailed catalogue of the material at Westminster Archive Centre, but briefly the material consists of folders of Gillow, Gillow & Co. and Waring & Gillow furniture from sale catalogues, extracts from the Gillow Sketch books, and photographs, divided into chairs, tables, and all types of furniture from pre 1765-1950. Also images of selections of Oxford Street room layouts, brass furniture, woods, construction, marking and stamping furniture, Gillows numbering system, patent for dining table 1800, card indexes, and copies of my published work.
